ABOUT BABCON

Since 1994, we have been serving Madison County's residential and commercial electrical service needs. You can count on the team at Babcon to take care of any electrical issues, whether it's simple rewiring or new installations.

WHY WORK AT BABCON?

Babcon can transform high school graduates into state licensed electricians in just 4 years through our paid apprenticeships! A financially rewarding, highly technical, professional career awaits you right here in Central Kentucky.
