\$1,454

MILLION MORE IN STATE FUNDING

DIAMOND

All children under five served

All preschool seats can be childcare + preschool

NAEYC group sizes

Payment rates reflect 20% inflation AND Hold revenue per room steady with group size change

No CCAP copayments below 100% of poverty AND Copayments capped at 8% at/above 200% of poverty

\$2,787

MILLION MORE IN STATE FUNDING

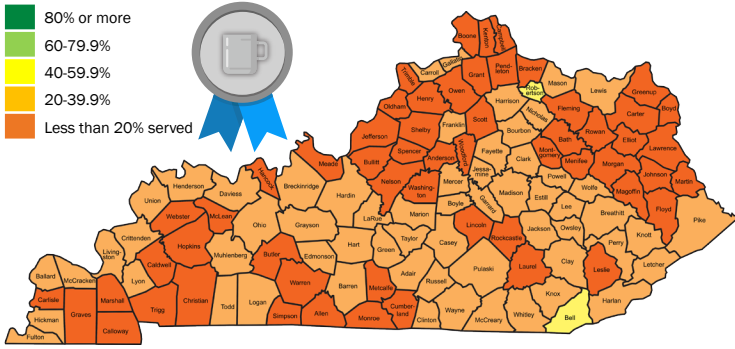

Quality Note: Moving to NAEYC group sizes is one way for providers to move up in ALL-STAR ratings, and each rate improvement will make it more feasible for providers to invest in quality, including supports for children and families, staff preparation, staff working conditions, and staff pay.
